The Trillium

1961

Dedication

Because she is willing at all times to give herself in dedicated service to the college and to the students of Copiah-Lincoln, whether it be in the last minute enlarging of a band uniform that the band show might not be delayed; the making of five hundred paper roses and the dressing of fifty dolls so that the dining hall be appropriately decorated for Homecoming; or the knitting of six dozen baby shoes for children of faculty members or former students, we, the staff affectionately dedicate this 1961 edition of the Co-Lin *Trillium* to . . .

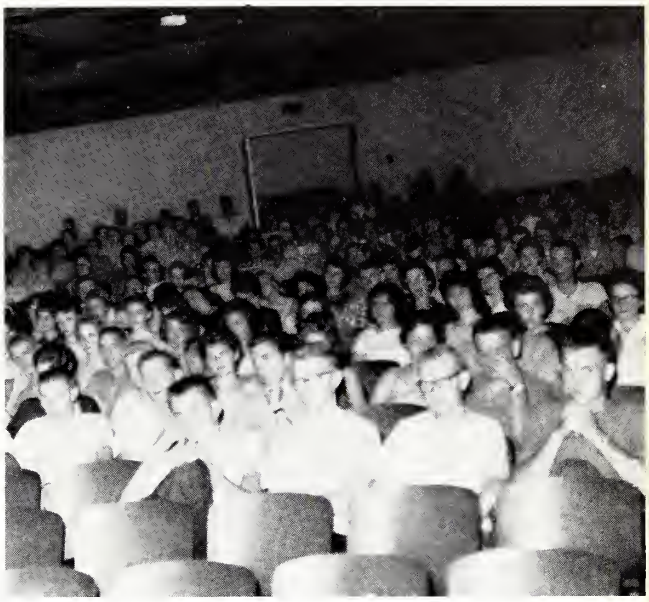
ALMA MATER

Hail, Copiah-Lincoln!
Sons and daughters true
Pledge thee our love;
We'll sing thy praise anew.
Faithfully and loyally
We'll ever honor thee;
We'll push thy colors on
To Victory.

An empty campus the day before school, anxiously awaiting the arrival of many new faces.

It is clearly evident that these students are happy to be returning to their studies.

Week . . .



At the first program for the freshmen, the Music Department presented several numbers by former students.

The first pep meeting was held in the college auditorium with the cheerleaders arousing the student body with "Hey Brethern."

During the first assembly, "John and Marsha" entertain the group.

Reception . . .

President and Mrs. F. M. Fortenberry greet Ann Barrett of Magee at the school reception which is held so that the students might meet the faculty.

A portion of the long receiving line is shown as the student body meet the "profs."

Only a few guests remain in the Freshman Girls' Dormitory, which was the setting of the lovely reception with Miss Lula Stevens, Dean of Women, as Hostess.

Fun, Fellowship, and Friends

Much of our extra time is spent in our modern, air-conditioned Bookstore located in the Old Gym.

Part of Co-Lin's recreational program is held in the Activity Building. Here a group of students enjoy dancing during the activity period that is set up each night.

Pep rallies were held every Thursday night before a game, with a large group in attendance.

Freshman

Robin Hudson of Mendenhall and Marci Dabbs of Magee were crowned 1960-61 Freshman Day King and Queen by Glen Mullins and Coleen King, the 1959-60 King and Queen.

Our "rulers" pose for pictures and autographs.

Entertainment at assembly was provided by several students including Burlian Walker, Richard Cooper, and Marci Dabbs.

Day . . .

"Pretty" Bobby Templet of New Orleans and Nancy Bell of Wesson entertain the students with a pantomime.

The parade to the town of Wesson was enjoyed by all freshmen and sophomores alike.

Walking back to the campus, Lois Woods and the other freshmen realize that Freshman Day has ended and there will not be any more commands by the sophomores!

Football . . .

Our first home game, which was with Perkinston, ended in a victory for Co-Lin.

John Curtis May goes all the way for a touchdown during the same game.

Head Colette, Gail Whittom of New Hebron, and the Colettes danced to "Dixie."

Religious Life . . .

Noonday is held each day in the audio-visual room with an average daily attendance of about fifty. Sponsored by the Baptist Student Union, it is open to all students on the campus.

Bill Fortenberry of Brookhaven leads in group singing during Christian Forum Week which is sponsored each year by the Student Christian Association.

Rev. Ostensen talks to the students, who have packed the Little Theater on Monday night of Christian Forum Week, on courtship and marriage.

Homecoming

The homecoming queen and her court were honored at a formal dance held in the Old Gym.

Queen Barbara Prestridge of Crystal Springs is shown with her escort, Marcelle Jones of Prentiss.

Entertainment for the dance was provided by Leon Canoy's Orchestra from Magee.

Activities . . .

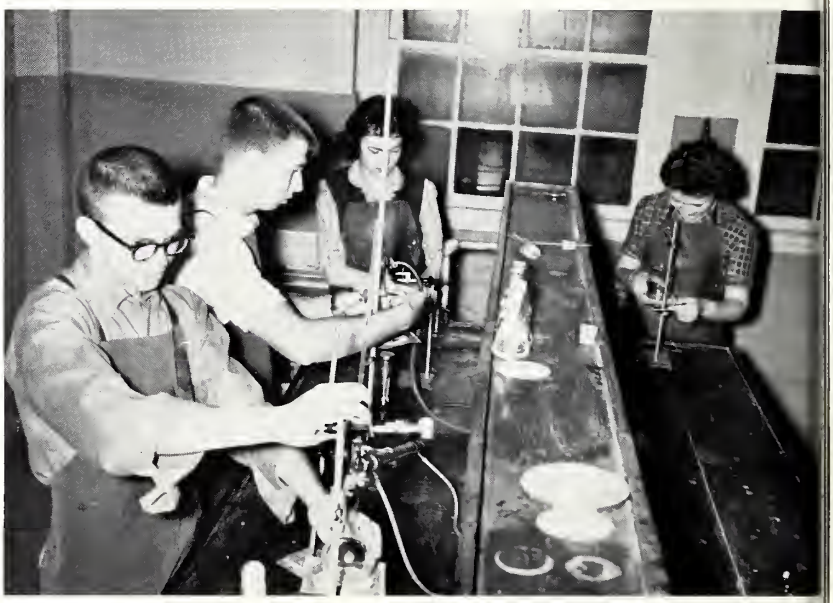
A colorful Homecoming Parade, with many beautiful floats and gayly decorated cars, was held the morning before the game. The Queen and the Court are shown prior to the parade.

Prizes were given by the Sophomore Class for the best float and car. Several lovely girls are shown on the winning Senior Float.

The Alumni were greeted by this sign as they registered at the Administration Building.

Familiar Places . . .

Becky Newsome checks out a book from our completely air-conditioned, modern library, which contains over 14,000 volumes.



Future chemists? Here Larry Lewis, John Ed Perritt, Betty Simmons, and Louise Townsend work on projects.

"Was it Handel or Tschaikovsky who wrote 'The Messiah'?" asked Lloyd Jackson in Mr. Wilson's Music Appreciation Class.

Service

President of Copiah-Lincoln

President F. M. Fortenberry

Our president has been associated with Copiah-Lincoln Junior College, in various capacities, for nineteen years, most of this time as a member of the administrative staff. He first served the school as coach and instructor in social studies. Later he held the position of Director of Athletics. Shortly after the attack on Pearl Harbor, his work with the college was interrupted in order that he might serve his country as an instructor with the Bureau of Aeronautics. Upon his return to the college in 1944, he resumed his teaching activities. He was appointed Dean of Men and Assistant to the President. He held these positions until he became president in 1956.

President Fortenberry has shouldered the problems and responsibility of supervising the education of the students of Copiah-Lincoln, and he has proved his abilities as both an instructor and an administrator.

Wesley Foundation

The Methodist Church, in an effort to minister to the needs of the student, has established Wesley Foundation on the state-supported college and university campuses. Active participation in the Wesley Foundation helps the student interpret his new experience in terms of, and in relation to, a maturing Christian faith. It gives him a realization of the need for God and the need for the church at college, and presents him a Christian foundation upon which he might base all discipline of learning; but, most important, it strengthens the student's faith in God.

Baptist Student Union

The Baptist Student Union is a movement among Baptist students on campuses throughout the Southern Baptist Convention. It is an effort by the leaders of the convention to preserve the young people in college for God and for our denomination. This is done by an educational program carried on by the students themselves. This program includes studies in missions, denominational work, development of the student spiritual life through dormitory prayer meetings and daily meditation time, and a social life which is centered in the Christian Gospel. Baptist Student Union penetrates the whole life of Copiah-Lincoln Junior College.
